Subject: Request to participate in St. Joseph Trophy 2024

Through this writing I would like to inform you that the 3rd St. Joseph University Trophy is going to take place at St. Joseph University campus in Chumoukedima on 7th – 9th October 2024. I therefore seek your permission and support to allow us to participate in the aforementioned tournament. Our college team will be competing in two events i.e. Men's Football and Girl's Volleyball. Additionally, I also ask that you grant us permission to use our college bus for transportation.

I believe that participating in this tournament would be an excellent opportunity for us to test our skills and enhance our overall sports experience.

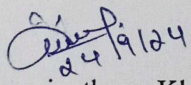

We look forward to the opportunity to compete in the tournament and appreciate your consideration of our request.
